WELCOME  
TO  
TOOMBS COUNTY

AND TO THE TOOMBS COUNTY SCHOOL SYSTEM

## INVITATION TO APPLY:

The Toombs County School System is seeking qualified applicants for various teaching positions throughout the school system. Although we do have some positions available throughout the school year, most of our vacancies occur at the close of the school year. We seek the best and we feel that we offer the best in return. Consider our benefits: We offer local supplements that are commensurate with an applicant's degree and level of certification. We pay for life insurance benefits for all our employees as well as paying a major proportion of all health benefits. We pay a significant portion of your social security benefits and also provide for teacher retirement benefits. When all benefits compensation is considered, the Toombs County School System is the best choice!

## THE COMMUNITY:

Toombs County is one of the fastest growing communities in the state. In recent years the school system has grown by almost 350 students and we anticipate more growth. Consider the reasons! It's hard to imagine a more promising home or workplace than Toombs County. Home of the Vidalia onion, it's considered by many to be the onion capital of the world. The scenic Ochoopee River and the Altamaha River wind their way through the county providing boating, fishing, camping and water skiing. Hunting grounds are plentiful and two 18-hole golf courses are available in the county. Recent counts show that there are over 55 restaurants in the county, which add to the evening, and recreational activities that are available. Just a few miles to the East are the enchanting Golden Isles and the Atlantic Ocean; to the South, Laura S. Walker State Park and the Okefenokee Swamp Park; to the West, the Little Ocmulgee State Park, and to the North, the George L. Smith State Park. With a population of 25,000, Toombs County is one of Georgia's "ALL STAR" Communities. The county seat is Lyons, a model community representative of all the finest qualities associated with small town America. We would be pleased to have you join us in Toombs County!

## THE TOOMBS COUNTY SCHOOL SYSTEM:

The school system has an active enrollment of approximately 3000 students, PK-12. The system is composed of 5 schools, Toombs County High School (9-12), Toombs County Middle School (6-8), Toombs Central Elementary School (PreK-5), Lyons Upper Elementary (3-5), and Lyons Primary School (PreK-2). Also, three satellite centers contribute to the system including: the Toombs County Alternative School, the Toombs County Cedarwood GNETS. Southeastern Technical College (STC) also works with the Toombs County School System in our "Tech-Prep" Program. A certified staff of 243 and a non-certified staff of 169 make up the 412 employees who contribute in making the Toombs County School System one of the state's leading school systems!
