Georgia has joined 44 other states, the District of Columbia (D.C.), and 2 territories, along with the Department of Defense Education Activity, in formally adopting a set of core standards (CCGPS) for Kindergarten through high school in English Language Arts, Mathematics, and Grades 6-12 literacy in Science, History/Social Studies, and technical subjects.

**ELA/Reading/Writing:**
- Reading more informational and complex texts
- Writing to justify thinking and reasoning and writing for more authentic purposes
- Engaging in more problem-solving and problem-based learning
- Making more real-world, relevant connections
- Assessing learning at higher levels

**Mathematics:**
- Students are provided a solid foundation in whole numbers, addition, subtraction, division, multiplication, fractions, and decimals
- Emphasis placed early on conceptual understanding of numbers
- Learning begins with math concepts and procedures, and moves into more application

---

**Mission Statement:**
We believe that all students can learn, and we will accept responsibility for ensuring their growth by setting high standards of learning.

To build a cohesive and collaborative school that sets high expectations for ALL.
